

Litter - It Just Isn't Natural

The South Bay's natural beauty is diminished by carelessly tossed trash. This trash ends up in creeks, flows to the South San Francisco Bay and eventually reaches the ocean.

The only cure for litter is you.

- Always have a litter bag in your car.
- When hauling, ALWAYS cover the load.
- If you smoke, carry and use a portable or pocket ashtray.
- Keep lids closed on recycling, yard trims and garbage carts.
- Shop with reusable bags at the grocery store, mall – wherever!
